About Me

Highly motivated Front-End Developer.
I would like to find a full-time job in a creative company with up-to-date tasks and good team!
I have experience in creating SPA using React, Redux, Typescript, JS, HTML, CSS. Knowledge in user interface, testing, and debugging processes. Usually I spend my leisure time on Codewars and improving my English.

Hard Skill

- HTML/CSS
- JS
- React/Redux/TypeScript
- Material-UI
- Git
- Sass
- Adaptive Layout

Education Background

- **Technical University of Moldova**
Bachelor Energy Engineer
- **IT-INCUBATOR**
Study in progress

Soft Skill

- Observation
- Communication
- Emotional intelligence
